Helpful Information for You and Your Pool

What other pool owners have been saying about us.

“Thanks Chris. So rare to find somebody that knows their subject. Much appreciated! There's enough info for the moment, but I'll get back to you if any further Qs”.

“Hi Chris
Thank you for the advice. I've forwarded those on to my painter, we've had a good chat today to check he's all over it. I bet it's frustrating to hear about all the avoidable mistakes that people make!! I'm excited to see the finished product though”. Ruth D TAS Dec 25

“Hi Chris,
Thank you so much for you time and advice, I really feel I am on the right track now to get our pool renovation completed the right way” eat

“Hi Chris,
Thanks for your prompt response and advice.
I called the Compass national help line and was automatically directed to their local rep, a building contractor, and am awaiting a reply from him. If I don't get any joy from either Compass or their rep, I will certainly get back to you.
Regards,”
